Dear Dr. Lawrence:

This is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2017-000474), dated January 30, 2017, in which you requested the following:

“Request a copy of the contract(s) and all modifications thereto as well as copy of any and all proposals to perform such work and justifications for the approval for award of such contract for Contract/Task Order #'s GS07T12BGD001TO/GSQ0714B0030 (provided by the Melinda McGuire, Government Information Specialist, U.S. Army Materiel Command legal Center, APG Office of the Chief Counsel who referred this request to GSA (saved under “Attach Supporting Files”).”

Enclosed please find the documents listed below responsive to your FOIA request. These documents include the conformed Contract/Task Order: GS07T12BGD0012/ GSQ0714BG0030 and Modifications 001 through 025, and a copy of the unsuccessful proposal to the task order.

- Contract/Task Order: GS07T12BGD0012/ GSQ0714BG0030 and Modifications 001 through 025; and
- Unsuccessful Proposal to the Task Order.

GSA is withholding a twelve page Award Decision Document to the Task Order in its' entirety pursuant to the FOIA exemption (5 U.S.C. § 552 (b)(3)), which permits an agency to withhold the source selection information. The Procurement Integrity Act, 41 U.S.C. § 2102, prohibits disclosure of contractor bid or proposal information or source selection information unless they have been set forth or incorporated by reference in a final contract. GSA has determined that the information being withheld under this exemption meets the criteria.

GSA is also withholding the Contractor's total estimated awarded pricing per CLIN and period of performance, including labor, material, ODC and Travel costs; estimated hours; hourly and billable rates; discount information, and technical and staffing information under the provisions of the fourth statutory exemption to the FOIA (5 U.S.C. 552 § (b)(4)), which permits an agency to withhold documents that contain commercial or financial information obtained from a person, that are privileged or confidential. GSA may withhold commercial or financial records if release

of the information would involve a substantial risk of competitive injury to a business that directly or indirectly furnished information to GSA.

In addition, GSA is withholding the Contractor's point of contacts, telephone numbers and signatures under the sixth statutory exemption to the FOIA (5 U.S.C. § 552 (b)(6)) which permits an agency to withhold information that could reasonably be expected to constitute a clearly unwarranted invasion of contractor's personnel privacy. We have determined that the privacy interests of individuals outweigh any public interest in the disclosure of their signatures and contact information.

Based on the above information, this constitutes partial denial of your request. As such, you may administratively submit your appeal online via (<https://foiaonline.regulations.gov/foia/action/public/home>) or by writing to U.S. General Services Administration at the address shown below. Your appeal must be postmarked or electronically transmitted within 120 days of the date of the response to your request.
